### IN THE SOCIAL WURLD

The Week Closed Marrily With the Clover Fancy Ball,

Mr. and Mrs. James Wathem Whitney will hold a reception on the same after-mond, and Mrs. Cuthbers will entertain at mrs. Mis. Charles Albert Stene, 1821 M Street,
has cards out for Friday, December 22,
when the stall give a 5 o'clock tex to introdues New Stene.

Mrs. J. L. M. Curry will also present her name, Mrs. Carry Councily, on Friday, and on that night the Friday Evening Class will meet at Ranschet's.

The Chinese Minister and Mindams Wu base Stoney bright

Of course there are fairy pedmothers!
Nothing less than a magic wand could have auramened from all the fur-oil corners of the goods such a company of wonderful in the propie as the genera who attended the fairer dress hall elven by they Dona and Restore Glover yecherday afternoom. The fairies note area present asome in from white game, with words and wings; some with that the including above their fairies and all of them he fresh and ewen as cherry bloomers in May. Becades the fairies their were speaking-cred Oriental majors to a preprint tribes and hougies, a as cherry blue some in May. Besides the fairner there were apackling-year Oriental maders to preparate treites and hangies, a Greek warrior with classic efficiel and helical and helical and and a summ, a Maybratopholes in fluxical and helical and and a Maybratopholes in fluxical and helical and a small, climpte-checked min. There were whole fluxes of thepholesises, personals and Boyotga in tuck-up and agony ribbour, carely colomial dames in rour train. powdered wire, and patches, consleys in fais-making simplicity children and a greeful little Folly in attriped ribboun and a greeful little Folly in attriped ribboun and in frathers and a yel directed dament with freshers and a yel directed dament with hear children and a yel directed in pink dewarop talle promenaded, regardless of temperature, with his Foort, whose nights children as he walked. A peaker edition of George Washington in the uniform of the Communder-in-Chief of the Communder-in

be looked the fixing embediment of the continual of the c

stime.

Miss teem Clover, the elder of the little bestemen of this eventual, represented winder with a graceful picture-squences of container to tempt any post into verse. Her write suita frees was flerhed with award down, and at every tern its folls spacked files Christians show in the sun. Thy Bestemen as a blinch of rowy witer, and the space below that gardanded her robe and arrested her fair postalized her to be that glabeles of attle schools spring. When the file flowers and the grand march, a combinate was formed by the two daughters of Senator and Mrs. Haves, who represented "An Alliance," garbed as Columbia and Bellamina their characters being among the most attlifting on the foor.

The centreplece of the flower-decked her health.
